Schenectady Holiday Parade 11/19

Our Mission

The Liberty Partnerships Program (LPP) provides support services to students and families to maximize the successful transition of middle and high school students into graduates who are fully prepared for the rigors of higher education and the competitive demands of the workplace. LPP applies evidenced-based practices to deliver programming and services to students in grades 6th through 12th enrolled in the Schenectady City School District who may be at risk of not graduating.
